But these are just the basic specs. Let me tell you why this Equinox is the ultimate overland vehicle. Performance and Off-Road Capabilities: This Equinox is built for adventure. With its powerful 1.5L Turbo engine, it can easily handle rough terrain and long stretches of road. The all-wheel-drive (AWD) feature ensures that you have control and traction no matter the conditions. Plus, with 24 city and 30 highway MPG, you can go further without worrying about gas. Vehicle Features: AWD Back-up Camera Push Button Start These features may seem standard, but trust me, they're a game-changer when you're out on the road. The AWD gives you confidence and control, while the back-up camera makes parking and maneuvering easy. And the push-button start is just a convenient bonus. Overland Features: This Equinox is equipped with everything you need for a successful overlanding trip. The spacious interior can comfortably fit 5 passengers and all your gear. Plus, the 24 city and 30 highway MPG means you can go further without having to worry about gas stations. And let's not forget the AWD, which allows you to tackle any terrain with ease. Condition and Maintenance: This Equinox LT 2018 is in excellent condition, with no accidents reported according to the Car Fax report. It has been regularly serviced and well-maintained, so you can trust that it's ready for your next adventure. Pricing & Location: This well-equipped Equinox LT 2018 is priced at only USD 13,495, and it's located in the US.
