DESCRIPTION/OPTIONS: The 2022 Ford Bronco Sport Outer Banks is a compact SUV model that offers off-road capabilities and a rugged design inspired by the larger Ford Bronco. It comes with various features such as all-wheel drive, advanced off-road systems, multiple drive modes, a turbocharged engine, and a comfortable interior with modern technology and connectivity options. The 2022 Ford Bronco Sport Outer Banks features a distinctive exterior design with rugged styling cues, including a raised suspension for improved ground clearance, off-road tires, and underbody skid plates for added protection. It offers a versatile interior with comfortable seating for five passengers and ample cargo space, making it suitable for both daily driving and outdoor adventures. Under the hood, the Bronco Sport Outer Banks is typically equipped with a turbocharged 1.5-liter three-cylinder engine or an available turbocharged 2.0-liter four-cylinder engine, paired with an eight-speed automatic transmission. It provides solid performance both on and off the road, with features like various drive modes to adapt to different conditions. The Outer Banks trim includes a range of features such as a larger touchscreen infotainment system, smartphone integration, a Wi-Fi hotspot, driver-assist technologies, and optional upgrades like a more robust sound system and advanced off-road packages.
