**ENGINE: 6.6L V8 OHV 16V DIESEL**

**DESCRIPTION/OPTIONS:** The 2020 Chevrolet 2500 Crew Cab Diesel is a robust truck, especially with the Duramax diesel engine and Allison transmission combination. This setup provides excellent towing capacity and reliability, making it a popular choice for those needing power for towing trailers, especially with a Gooseneck or 5th Wheel attachment. The Duramax diesel engine is known for its durability and towing capabilities, offering a good balance of power and efficiency. When paired with the Allison transmission, which is renowned for its smooth shifting and robust design, this combination ensures that the truck can handle heavy loads with ease. The Gooseneck or 5th Wheel setup is ideal for towing larger trailers, providing stability and control while on the road. These setups are popular among those who need to tow heavy loads like RVs, horse trailers, or large boats. Overall, the 2020 Chevrolet 2500 Crew Cab Diesel with these features is a solid choice for anyone looking for a dependable and powerful truck for towing purposes. BOSS 9' 2" V- Plow is an extra 10k .
